SUMMARY

Results-driven advertising and marketing student with experience in digital marketing, media planning, content creation, branding, and campaign performance tracking. Skilled in developing social media, email, and marketing strategies to increase brand awareness, website traffic, engagement, and sales support. Strong background in client communication, cross-functional collaboration, KPI tracking, and presenting campaign recommendations.

EDUCATION

University of Illinois at Urbana- Champaign | The College of Media Advertising | Business

Bachelor's Degree

WORK EXPERIENCE

The Fun Ones | St. Charles, IL

Sept. 2022 – Present

Director of Event Management

- Led event planning and execution, managing timelines, client expectations, staff coordination, and on-site operations.
- Developed digital and guerrilla marketing tactics to increase awareness, generate rental leads, and support event attendance.
- Helped increase key equipment rentals by 10% through targeted promotions, customer recommendations, and local outreach.
- Analyzed customer demand, rental trends, and post-event performance to improve future campaigns and ROI.

CFX | Carol Stream, IL

Jun. 2020 – Jul. 2022

Manager

- Drove membership sales through consultative selling, promotional outreach, and customer relationship building.
- Executed digital, referral, and local marketing initiatives to increase gym visibility and attract new members.
- Helped raise new membership sign-ups by 20% through targeted promotions, sales follow-ups, and advertising-driven outreach.
- Trained and supervised staff to strengthen customer engagement, brand experience, and service recovery.

PROJECTS & LEADERSHIP

Lincoln250 Project (Nonprofit Organization)

Jan. 2026 – Mar. 2026

Media Planner | Advertising/Marketing Campaign

- Led media planning for a Gen Z-focused nonprofit campaign, contributing to an estimated 15% increase in Instagram engagement and 15–20% increase in website traffic.
- Developed guerrilla and digital strategies to increase awareness, audience reach, and campaign engagement.
- Tracked KPIs including web traffic, reach, and engagement rate to optimize campaign performance.
- Presented strategic recommendations and future campaign ideas to the client.

American Advertising Federation | Duolingo Project

August 2023 – May 2024

Advertising Campaign Team Member

- Developed integrated campaign concepts for Duolingo targeting Gen Z audiences through research, segmentation, and creative strategy.
- Collaborated with student teams on audience research, messaging, positioning, and campaign pitch development.
- Presented campaign recommendations in a competitive agency-style environment.
- Strengthened collaboration skills by working under deadlines to simulate real agency workflows.
